Yesterday afternoon John`s mother was at work. John was at home with his father. They watched TV together. Then his father said: "Let`s cook dinner for Mum together and we can all have dinner!" And they went to the kitchen. The father wanted to have some soup but John didn`t like it. They decided to have fish. The father took the fish and they started cooking it together.

Then John went to his bedroom to do his homework. His father went to his room to read a book. They didn`t go to the kitchen again.

After an hour, John`s mother came home. She was tired. But when she opened the door, she ran to the kitchen and cried: "Oh, no!" The kitchen was very dirty. They couldn`t eat the fish because it was black! John`s mother wasn`t happy. John and his father were sad, too.

But then, John and his father cleaned the kitchen and cooked a pizza for dinner.
